Reference:

25X1 a Memo to DCI from  
Asst. Dir., OO,  
dated 11 July 1947.  
Subj: Memo signed  
by [redacted]  
Asst. Assoc. Dir.,  
subj: "Functions  
of Reference Branch,  
OSR" dtd 25 June  
1947.

Remarks:

1. It is understood that a tentative working agreement was signed by the Contact Branch and the Reference Branch effective until 1 January 1948.
2. Also I am informed that the ID, WDGS, considers OIG Directive 15 insufficient authority for the Contact Branch's present activities, though at working level in the field there appears to be complete harmony.
3. Undoubtedly your proposed revision of OIG Directive 15, based on operational experience, will correct the deficiency of the current Directive, to the satisfaction of all concerned.
